Muhammed Aboobaker Arbee

SOFTWARE ENGINEER

Gauteng | (+27) 658727779 | muhammedarbee78692@gmail.com

Profile

A dedicated and resourceful Information Technology professional with a Bachelor of Science degree in Information Technology from Eduvos. I have a strong background in software development, technical support, and sales, with experience in organizations such as Absa Group, Lorem Web, and Eduvos. My expertise includes software development, web development, technical support, and e-marketing, complemented by excellent communication, teamwork, and problem-solving skills. I am a quick learner who thrives on tackling new challenges, and I am committed to putting in the time and effort needed to improve myself and master new skills.
